APRIL 2019 | VOL. 4

Gippsland Learn Local E-News

YOUR MONTHLY UPDATE OF ALL THE INCREDIBLE THINGS WE ARE ACHIEVING IN GIPPSLAND

Welcome to Term 2 for Gippsland Learn Local! We are feeling fresh (and full!) after the Easter break and are looking forward to getting stuck into Term 2.

In Term 2, we have heaps of courses running all over Gippsland. Kickstart your Career in the Disability Support Industry, Employment Skills for Indigenous Job Seekers, Women Engaging Life and Try a Trade are just some examples of the many, practical courses running.

We are also excited to share that the Learn Local awards are now open, and we encourage everyone to nominate their organisations, great students and inspirational Learn Local teachers!! More information is below.

Don't forget, you can click on the photos and text in this newsletter to open the full story.

It is lovely to see GEST featured in this month's edition of Adult Learning Australia. Their unique pre-employment course, run in partnership with Flavorite Hydroponic Tomatoes in Warragul is opening up new opportunities for locals.

Kick start your career in the health sector this May! The course is a collaboration between Central Gippsland Health and Heyfield Community Resource Centre.

Spotlight on: Learn Local Awards

Nominations are now open for the 2019 Learn Local Awards. You can nominate a learner, practitioner or volunteer, or a particular program. There is also the 'Learn Local Legend' Award. Nominations close in August.

Moe life skills students are entering a writing competition!
